

# Platform for Partnerships

## *Call for action*

## Assessing the Economic Contribution of Labour Migration in Developing Countries as Countries of Destination

**Joint project**

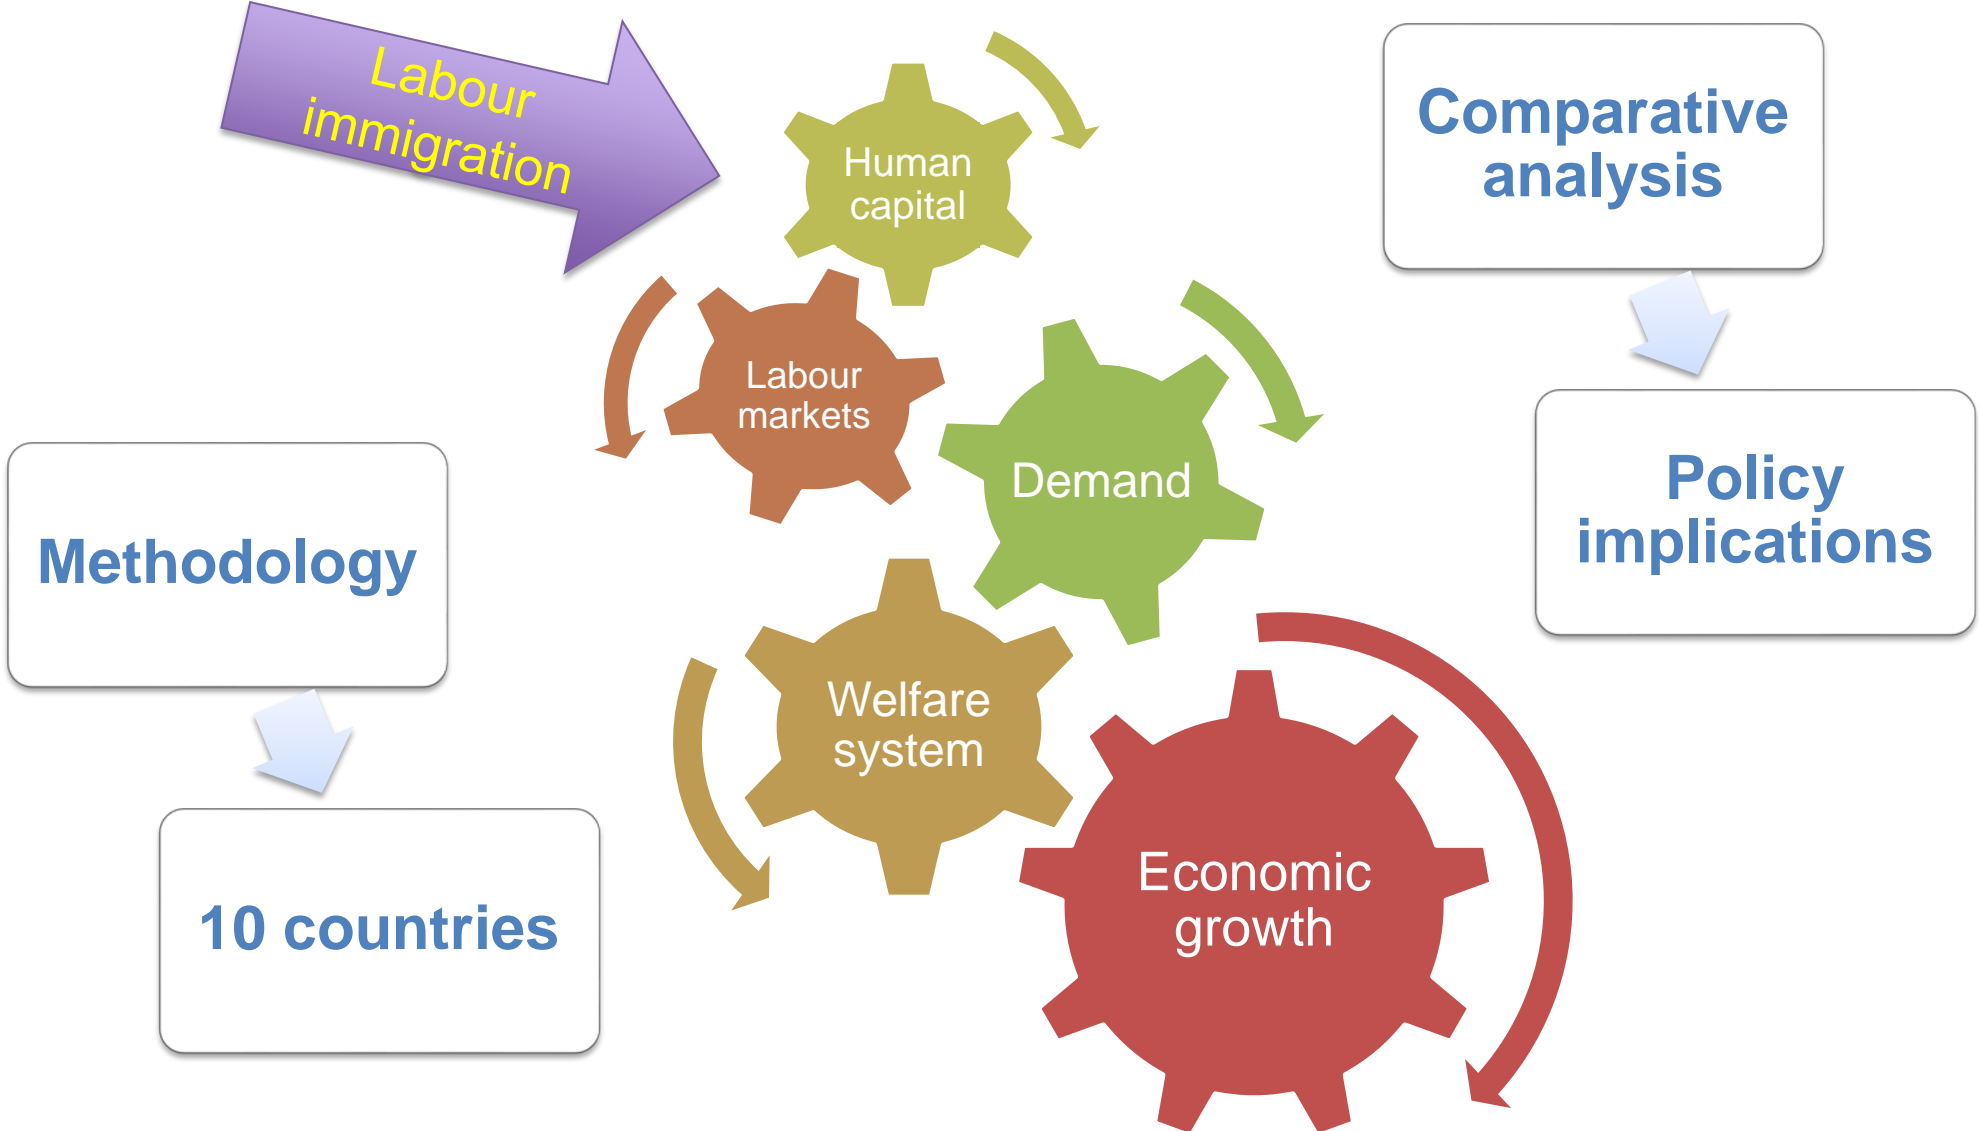

**June 2014 – November 2017**

### Overall objective

To have a **reliable and evidence-based understanding** of the economic contribution of labour immigration in developing countries

# What is the project about?

# Participation criteria

- Interest and willingness to contribute as partners expressed by the relevant authorities
- Level of income: low and middle-income countries
- Weight of immigration: net immigration countries (or at least substantial share of immigrants in total population)
- Share of refugees: lower than 50% of the immigrant population
- Availability of survey-based or administrative data
