## ADDED VALUE OF THE GFMD

**8. What has been the main added value of the GFMD for your Government?** *Please choose all answer choices that apply and/or add your own. Please provide examples with your answers.*

Networking: Built relationships with counterparts from other Governments and other stakeholders at the GFMD

*Please elaborate:*

Partnerships: Learned more about interests and priorities of partner countries

*Please elaborate:*

Trust building: GFMD has allowed for easier, more honest interaction on migration & development with other governments

*Please elaborate:*

Cooperation: Established new partnerships and cooperation agreements with countries & other stakeholders

*Please elaborate:*

Traction: The GFMD helped elevate the topic of migration & development at the national level

*Please elaborate:*

Coherence: More dialogue & cooperation among ministries and agencies at the national level

*Please elaborate:*

Inclusion: More dialogue with other stakeholders (migrants/diaspora, civil society, private sector) at national level

*Please elaborate:*

Implementation: Participation in the GFMD has led to new policies / programmes being adopted and rolled out at national level

*Please elaborate:*

Knowledge: Gained new insights and learned about new ideas, concepts, policies, and programs. *Please indicate whether your government has contributed to and/or consulted the Platform for Partnerships (PfP).*

- We have contributed to the PfP
- We have consulted the PfP
- We have not consulted or contributed to the PfP

*Please elaborate:*

**9. Has the GFMD addressed relevant themes throughout the years, including in response to newly emerging issues or problems?** *Please see annex for an overview of GFMD topics addressed since 2007. Please provide examples with your answers.*

**10. Do you see any gaps or biases in the selection of topics over the years?** *Please specify.*

**11. Which themes, critical issues or problems should the GFMD address in the future?** Please elaborate.

## **FUTURE PERSPECTIVES**

**12. While there is no universal consensus among all Member States regarding the necessity for and contents of the Compact, the current GCM draft mentions a role for the GFMD in the implementation, follow-up and review of the Compact. What should that role of the GFMD look like?**

**13. How would the GFMD need to adapt to be “fit for purpose” going forward? What changes (if any) might be required?** *Please choose all answer choices that apply and/or add your own. Please specify your proposals.*
