ENHANCING PARTNERSHIP FOR FAIR AND ETHICAL RECRUITMENT AND UPHOLDING THE RIGHTS OF MIGRANT WORKERS

Room: Auditorium

Date: Tuesday 21 January 2020

Time: 9:00-10.30am

PANEL DISCUSSION

In today's globalized economy, workers are increasingly looking for job opportunities beyond their home country in search of decent work and better livelihoods.

In recent years, significant steps have been taken by public and private actors to address recruitment related challenges and promote fair and ethical recruitment practices in which partnership and collective action play a key role.

During this panel discussion, experiences, good practices, new initiatives and lessons learned in promoting fair and ethical recruitment will be shared.
