GFMD recommendations for Migration Profiles

GFMD Workshop – Migration Profiles: lessons learned

Batumi, 12-13 July 2011

The project is funded by the European Union and partners

By Radim Zak, BMP Coordinator

Purpose of discussion

- Elaborate concrete recommendations for migration profiles' discussion
- Share lessons learned
- Highlight problematic aspects
- Underline positive impact

Guiding questions

- How to ensure the political endorsement?
- What should be the relation between a migration profile and the state migration policy?
- What actors should be invited in elaboration of a national migration profile?
- How to ensure coordination?
- What kind of info should be in the MP?
- Any other comments or recommendations.

The background is a solid yellow color with several white, five-pointed stars scattered across it. The stars vary in size and are positioned at different angles, creating a decorative pattern.

Thank you!
